2022 Field Trips

(As of April 11, 2022)

Please note: Leaders and trip details are subject to change. Please check the most recent issue of the *Little Gull*, or the schedule at the RBA website <https://rochesterbirding.org/>, for updated information prior to departure! Trips run approximately 2 to 4 hours! **Bring binoculars. All field trips will go rain/snow or shine unless there is a travel advisory issued. Online registration <https://rochesterbirding.org/> for each trip is required and opens at 7:30 p.m. 7 days before the trip date and closes at 1:00 PM the day before the trip. All trips have limited capacity. It would be greatly appreciated if those who need to cancel, would do so before the 1 p.m. deadline. If COVID guidelines allow, if at all possible, please carpool!**

Saturday
Irondequoit Bay Outlet and Durand-Eastman Park – Year List Jump-Start
Get started on your annual list! We'll look for winter waterfowl on the Bay, then move to Durand-Eastman Park where we will stroll Log Cabin Road and Zoo Road looking for finches, waxwings, and resident birds. This trip is mostly on paved roads. No restrooms available. Meet at **8:00 a.m.** in the parking lot on the west side of the Irondequoit Bay outlet. **Dress warmly! Spotting scopes would be very useful.**
Leaders: *Norma Platt and John Boettcher 585-671-9639*
- Jan 8**
Saturday
Webster Park – Campground Area
In mature forest and scrubby areas we'll look for overwintering resident birds, lingering migrants such as Hermit Thrush and special winter visitors such as Evening and Pine Grosbeaks, White-winged and Red Crossbills and Bohemian Waxwings. This is a mostly level walk, partly on dirt road, partly on wooded dirt trail that can be uneven in places. Wear boots with good traction and dress warmly as we may be outside for 2-3 hours, although you are free to leave at any time; trip length will depend upon trail and weather conditions. No rest rooms available. Meet at **8:00 a.m.** in the parking lot on the south side of Lake Road across from Kanatota Lodge.
Leaders: *Pat Martin 585-301-5485 and Sheryl Gracewski and Tom Nash 585-261-6975*
- January 15–23 (with January 16, 2022 as the target date)** is the time for the **New York State Waterfowl Count** organized by the New York State Ornithological Association, Inc. *Bob Spahn (585-671-5690)* coordinates several local teams and would be pleased if other birders would join up. Go to <https://nybirds.org/ProjWaterfowl.htm> for more information.
- Jan 15**
Saturday
Beginner Birder Trip – Mendon Ponds Park Songbird Trail
This trip will be a leisurely winter walk along rolling trails (approx. 1-1/2 miles) featuring some very close looks at our winter passerines! Bring your binoculars, some sunflower seeds, and your camera! This is a family-friendly field trip. Meet at **9:30 a.m.** at the visitor center on Pond Road near Clover Street. Restroom available at the visitor center.
Leader: *John Boettcher 585-671-9639 and co-leader Cathy Ballard 585-322-2621*
- Jan 22**
Saturday
Avon and Lima Rural Tour
We'll search the Nations Road area, looking for Northern Shrikes, hawks, Snow Buntings, and other birds of the fields and farmland in winter. We'll be mostly driving, with frequent stops along the road. If COVID-19 guidelines allow, please carpool! Meet at **2:00 p.m.** at Tops Plaza (restroom) in Avon on Routes 5 and 20, two miles west of I-390. **Spotting scopes would be very useful.**
Leaders: *Jim Kimball 585-519-9211 and Rick Stevens 585-425-7849*
- Jan 30**
Sunday
Lakeshore Plains West
A driving tour of the farm fields and open lands to the west of Rochester, this trip will search for Horned Larks, Snow Buntings, Lapland Longspurs, Northern Shrikes, falcons (possible Merlin or Peregrine) and hawks (hoping for Rough Legged and Northern Harriers) in western Monroe and possibly into Orleans County. **Dress warmly** in layers; bring snacks (lunch if you wish to continue on into the early afternoon with us) and a thermos filled with a warm beverage. We will drive along backcountry roads for a few hours, stopping where we see bird activity. No restrooms available until we reach Hamlin Beach SP. Meet at **9:00 a.m.** at the Braddock Bay Park main parking lot. Use the East Manitou Road exit from the Ontario State Parkway. Plan on coordinating

carpooling, if possible, as this is a driving tour. Fewer cars are better as we pull over on roads potentially with snowbanks. **Bring your own FRS radios and spotting scopes, if you have them.**

Leader: Lynn Bergmeyer 585-576-0422 and co-leader Robert Buckert 585-269-4206

Feb 13

Sunday

Winter Waterfowl and Other Possibilities

Starting at Irondequoit Bay Outlet, we will look for beautiful Long-tailed Ducks, mergansers, scaup and other ducks. We will also concentrate on locating wintering gulls like the occasional Lesser Black Backed, Iceland and Glaucous gulls. We will then drive over to Summerville and Charlotte to see what might be in the Genesee River. If redpolls or winter finches are being seen, we will stop at Durand-Eastman Park along the way. Flat walking on pavement. Restrooms are available in the Charlotte area. Meet at **9:00 a.m.** in the large parking lot on the west side of Irondequoit Bay Outlet. **Dress for the weather. Spotting scopes would be useful.**

Leader: Lynn Bergmeyer 585-576-0422 and co-leader Robert Buckert 585-269-4206

Mar 12

Saturday

Lake Shore Marshes East Wildlife Management Area

This extensive driving tour of the large natural area to our northeast always turns up some great birds! We'll look for unusual ducks, late winter birds, and interesting migrants like Fox Sparrows. One portion of the trip is walking on a wide, mainly flat, sometimes muddy, trail. Bring a snack to munch on to keep your energy up, and dress for the weather! Restrooms available at Sodus Point Park and Chimney Bluffs State Park. Meet at **7:30 a.m.** in Webster Plaza at the junction of Route 404 and Hard Road near Starbucks. **Spotting scopes would be very useful.**

Leader: Kinsley Whittum 585-872-7334 and co-leader Christina Hoh 973-224-7009

Mar 19

Saturday

Hamlin Beach State Park

We will gather at Braddock Bay Park and drive to Hamlin Beach State Park where we will look for waterfowl. Driving back east, we will look through fields for migrant waterfowl and lingering winter field birds. We will stop at Owl Woods in search of migrating owls. We will end at the Braddock Bay Hawk Watch in hopes of spotting Rough-legged, Red-shouldered Hawks, and Bald Eagles. **Dress warmly** as we will be out of the cars often at multiple locations--the lakeshore can be cold this time of year. Trails are flat but can be muddy/snowy.

Waterproof boots strongly recommended. Restrooms available at Hamlin Beach only. Meet at **9:00 a.m.** at the Braddock Bay Park main parking lot. Use the East Manitou Road exit from the Ontario State Parkway.

Spotting scopes would be very useful. Radios would be useful.

Leader: Mike Tetlow 585-748-5838 and co-leader Lynn Bergmeyer 585-576-0422

Mar 26

Saturday

Beginner Birder Trip – Owl Woods and Hawk Watch Site

We'll look primarily for our smallest visiting owl, the Northern Saw-whet, which returns to this spot on a yearly basis. Long-eared Owls generally put in an appearance, too, although they're quite shy and great at hiding. After the owl walk, we'll head to the Hawk Watch site to learn how to identify raptors on the wing. At this time of year, we might witness spectacular flights of thousands of raptors! The Owl Woods trails are flat and likely will be wet and muddy. **Boots are strongly recommended – they're almost mandatory!** No restrooms available. **Bring binoculars and, if you have them, spotting scopes.** Meet at **8:30 a.m.** in the parking lot on the right side of Manitou Beach Road across from the Owl Woods trail head

Leader: Liz Magnanti 585-748-0309 and co-leaders Dick Horsey 585-435-2837, Daena Ford and 2 TBA

[April Is an Excellent Month to Observe the Hawk Flight](#)

Counters gather at the Hawk Watch platform at Braddock Bay Park (exit at East Manitou Road from the Ontario State Parkway). Most of the birds are Broad-winged and Red-tailed Hawks, but other buteos, accipiters, falcons and eagles are also seen.

Apr 9

Saturday

Woodcock Courtship Flight at Owl Woods

This will be an evening trip for woodcock courtship flight. If you've never seen this spectacle, prepare to be amazed: birds call noisily (peenting) from the ground in grassy fields before spiraling rapidly up high, making twittering, kissing-like sounds at the apex of their ascent and descending silently back down, only to start the cycle anew. An amazing sight! Fields may be wet and muddy in spots. **Boots are strongly recommended.**

Bring a flashlight or headlamp. Meet at **7:00 p.m.** in the parking lot across from Owl Woods. Take the Manitou Beach Road exit from Ontario State Parkway. Turn north then right into the large parking lot.

Leader: Neal Reilly 518-256-9147 and co-leader Robert Buckert 585-269-4206

Apr 16

Saturday

High Acres Nature Area

Over 130 bird species have been observed at HANA including more than 70 that nest in the diverse habitats found there. During this field trip we expect to see at least 40 species returning to nest or on their way to northern nesting grounds. Our approximately 2 mile walk over mostly flat trails will explore about 250 acres at

HANA and include some wet spots requiring at least ankle-high waterproof shoes or boots. No restrooms available. Meet at **8:00 a.m.** at the parking lot on Perinton Parkway approximately 1/4 mile east of the Waste Management offices.

Leader: Rosemary Reilly 585-748-0802 and co-leaders Brian Rohrs and Gayle Lazoration 585-281-9534

Apr 20
Wednesday

Highland Park

We'll be looking for spring migrants while enjoying lovely flora. This walk would be gorgeous even without the birds, but it does have birds in abundance! Find out where people have spotted the rarities that pop up in this urban treasure. Dress for the weather. Paved walkways, gentle hills. Walking in grass a possibility, if you chose to. No restrooms available. Meet at **8:00 a.m.** on Reservoir Avenue in front of the Conservatory building.

Leader: Jeanne Verhulst 585-362-0803 and co-leader Amy Kahn 585-310-2330

April 22-24

Bird of Prey Days at Braddock Bay Park

Apr 30
Saturday

Braddock Bay Hawk Lookout

This trip is for the spring hawk flight and migrating songbirds. We will be working to identify distant raptors and meet some great new people, too! This requires a short walk across grass to the viewing platform. Port-a-John may be available. Meet at **9:30 a.m.** at the Braddock Bay Park main parking lot. Use the East Manitou Road exit from the Ontario State Parkway. **Spotting scopes would be very useful.**

Leader: Mike Tetlow 585-748-5838 and Neal Reilly 518-256-9147

May 1
Sunday

Four Mile Creek Preserve, Webster

We will look for spring migrants along the approximately 2 to 3 miles of gently rolling hiking trails. The trails will most likely be muddy, so appropriate footwear is recommended. No restrooms available. Meet at **8:00 a.m.** in the preserve parking lot at the SE corner of Lake Road and Phillips Road in Webster.

Leader: Christina Hoh 973-224-7009 and co-leaders Sheryl Gracewski and Tom Nash 585-261-6975

May 3
Tuesday

Camp Beechwood and Olga Fleisher Wildlife Preserve

Camp Beechwood is on the shoreline of Lake Ontario in Wayne County and should attract warblers, vireos, thrushes and other migrants. Species numbers should be excellent. This trip will involve about three miles of hiking over mostly level ground. Bring beverages, snacks or lunch if you plan to attend the second part of this trip to the Olga Fleisher Preserve (known locally as Huckleberry Swamp), a bottomland forest and wetland. Huckleberry has a boardwalk except for a short dirt road back to the parking area. Port-a-john available at both locations. Meet at **7:00 a.m.** at Webster Park, corner of Lake and Holt Roads, or at **7:30 a.m.** at B. Forman Park, 4507 Lake Road, Pultneyville, 14538. We will continue to Beechwood from there. If meeting at Beechwood, meet at the main parking area off Lake Road, (**not** at the stream area parking) at about **8:00 a.m.**

May 4
Wednesday

Cobbs Hill Park

With spring in full swing, come to one of Rochester's best-kept birding secrets: Cobbs Hill Park's Washington Grove. Colorful warblers and other spring migrants arrive *en masse* at this urban oasis of tall stately trees. Pat will demonstrate birding by ear as we search for Yellow-rumped, Black-throated Blue, and Black-throated Green, Nashville, Black-and-white and Hooded Warblers among others. We will likely hear the flute-like Wood Thrush and see Hermit Thrushes searching the ground for food. Sparrows, orioles, and perhaps a Scarlet Tanager will make an appearance. Washington Grove is one of the best spring birding spots in the area. The entrances to the grove have two short steep trails, the main trails are gentle hills. No restrooms available. Meet at **8:00 a.m.** opposite the reservoir in the grassy area between the road and the woods; use the entrance off Highland Avenue, just east of Monroe Avenue.

Leaders: Tom and Jeanne Verhulst 585-362-0803, Sue Robertson 585-427-2535 and Pat Martin 585-301-5485

May 7
Saturday

Beginner Birder Trip – Lakeshore Warbler Hotspots

The shoreline of Lake Ontario is a haven for migrating warblers and other passerines. We will stop at several areas where these birds tend to congregate in spring. Learn the basics of identifying our most colorful migrants on this trip. We'll be looking for color patterns, song, and the distinctive behaviors to enhance identification skills with these fast-moving beauties. Though flat, trails may be very muddy. **Waterproof boots are strongly recommended!** Dress for the weather and bring binoculars. No restrooms available. Meet at **7:30 a.m.** at the parking lot behind Lakeview Community Church, 30 Long Pond Road in Greece (near Edgemere Drive).

Saturday

Taylor Marsh (Joint trip with the Bergen Swamp Preservation Society)

Taylor Marsh is a preserve owned by the Bergen Swamp Preservation Society and located in Ontario County north of Honeoye Lake. It is best known for marsh birds, including both American and Least Bittern and Virginia Rail. However, the star attraction is the 2-3 Sandhill Cranes that have been present in this area all year around for many years. They are occasionally heard at Taylor, although seldom seen. Taylor also has brush-shrub and wooded upland habitat with a good variety of spring migrants and breeding birds. An adjacent hay field is home to Bobolinks and meadowlarks. It has a checklist of well over 100 species, and we usually rack up 40-50 in just a couple of hours. This is mostly a flat trail, which can be muddy, but has one small stream with steep banks to cross. Waterproof boots are advisable. No restrooms available. Meet at **8:00 a.m.** at the Taylor Marsh parking area on the west side of Allen's Hill Road just south of Nighan Hill Road. From Rochester, take I-390 south to the Avon exit. Turn left onto Routes 5&20 and go east. In the town of Lima, turn right onto Route 15 A and follow it south. Turn left onto Richmond Mills Road (Livingston County Road 41). It becomes Ontario County Road 15. Follow County Road 15 past County Road 37 and turn right at the next stop sign onto Allen's Hill Road. (There is no road sign at the intersection.)

May 8
Sunday

Amy's Pond and Woodsmith – Genesee Land Trust / RBA Joint Trip

This is a field trip to the private property of Janet Smith for spring migrants, early nesters and waterfowl. Two adjacent easements make up 187 acres that include two large ponds, mature woodland, and open fields all within 0.5 mile of Lake Ontario. Past trips have yielded eagles, bitterns, herons, many warblers, Scarlet Tanagers, etc. We'll walk along uneven trails, so bring a walking stick if needed, and prepare for a medium-long hike in an outstanding sanctuary open only by special arrangement -- many thanks to Genesee Land Trust! No restrooms available. Meet at **7:00 a.m.** at Webster Park on the west corner of Holt and Lake Roads, or at Amy's Pond at **7:30 a.m.** To get to Amy's Pond, take Route 104 east to County Line Road. Drive north until it ends at Lake Road. Turn right and travel approximately one mile to 484 Lake Road, Ontario, NY and turn down the long gravel driveway (on the south side of Lake Road) until you reach the marked parking area.

May 10
Tuesday

Ontario Pathways (Flint Creek section)

We'll look for warblers and other spring migrants along this level, rails-to-trails, pathway in Ontario County. This well-maintained trail is an established favorite for wildlife viewing and scenic views. Wear comfortable walking shoes. At times, the weather can be fickle, but we've seen better warblers in the snow on this trip than many trips get on sunny days. Dress accordingly! No restrooms available. This is a level grade, easy to walk, linear trail, 1.6 miles in and 1.6 miles back out. Meet at **8:00 a.m.** at the trailhead. It is on the south side of Rt. 96 just east of the Rt. 488 intersection. For anyone who wishes to use a bathroom before heading out on the trail, there is a Byrne Dairy on the corner of Rts. 96 & 488.

May 12
Thursday

Rush Riverside Refuge (in association with Rush Recreation and Parks Association)

The town of Rush has recently acquired a new patch of land containing old-growth woods, farm fields in various stages of succession, and a mile of Genesee River frontage. Join us as we explore this "new" birding spot. Trails may be wet and muddy, so waterproof shoes/boots are recommended. No restrooms available. Meet at **8:00 a.m.** at the Monroe County Fair Site, 6565 East River Rd, Rush, NY. Park and meet in front of the large barn straight in and just to the left of the entrance road.

Leaders: *Ann McMican 585-533-1222 and co-leader Sue Robertson 585-427-2535*

May 14
Saturday

Powder Mills Park and Banc Sanctuary (Joint trip with Burroughs Audubon Nature Club)

On the east side, Powder Mills Park is a mature woodland and wetland park that can be productive for many late-migrating or nesting species. In recent years, Baltimore Orioles, Rose-breasted Grosbeaks, Scarlet Tanagers, Pileated Woodpeckers, Red-tailed Hawks, American Woodcocks and Blue-winged Warblers have all nested there. The trip will continue with a visit to the BANC Sanctuary on Railroad Mills Road, where we'll walk the trails around the woodland, wetland, and creek habitats. Nesting species there include Eastern Bluebirds, House Wrens, Eastern Phoebe, and adjacent tree lines have produced a variety of migrating warblers. Both locations are mostly flat trails, waterproof footwear is advised. Please note that no restroom facilities will be available at the Sanctuary. Meet at **7:30 a.m.** at the Powder Mills Park Fish Hatchery parking lot on Park Road.

Leader: *Richard Ashworth 585-381-2189 and co-leaders Tom and Jeanne Verhulst 585-362-0803*

May 15
Sunday

Manitou Beach Preserve

Our trip to this lakeside treasure should rack up good numbers of warblers, flycatchers, and other spring arrivals. Owned by the Genesee Land Trust, the Manitou Beach Preserve consists of 5 acres of flat, field, forest and hedgerow, shrub, and cattail wetlands extending into Braddock Bay. Wear waterproof, sturdy shoes and

don't forget the bug spray! No restrooms available. Meet at **8:00 a.m.** in the Owl Woods parking lot on Manitou Beach Road (Route 261) at the Lake Ontario State Parkway. If COVID guidelines allow, we will shuttle to the preserve, as parking space is limited.

Leader: Amy Kahn 585-310-2330 and co-leader Kevin Farrell 585-748-6919

May 17
Tuesday
Oatka Creek Park
Woods and meadow provide great habitat for nesting species such as Indigo Bunting, Eastern Towhee, Blue-winged Warbler and Field Sparrow. This will cover about 3 miles of mostly flat trails. Port-a-john available at trailhead. Meet at **7:30 a.m.** at the park entrance at the intersection of Quaker Road and Union Street in Garbutt. Take Route 383 (Scottsville–Mumford Road) west 1.5 to 2 miles from its intersection with Route 386 in Scottsville and turn south on Union Street for about 0.5 miles.

Thursday
Thousand Acre Swamp
Thousand Acre Swamp is a preserve owned by the Nature Conservancy of Western New York. It has a bird checklist of 120 species. This level 2.5-mile walk on uneven, sometimes muddy trails, goes through varied habitats, resulting in a variety of breeding bird species and migrants. The habitats include swampy woods, drier woods, a marshy area, meadows, and a pond. Shorter routes are possible. The entrance and parking lot are on the west side of Jackson Road opposite Penfield Center Road in Penfield. Boots and mosquito repellent are recommended. No restrooms available. Meet at **7:30 a.m.** in the parking lot. For more information, including photos, go to <https://thegreenjay.jalbum.net/Thousand%20Acre%20Swamp/>

May 21
Saturday
Iroquois National Wildlife Refuge
We will search for Prothonotary Warblers, Yellow-throated Vireos, Cerulean Warblers, and other birds at this local natural treasure. We'll drive to various spots in the refuge and take an easy walk along one of the very scenic trails. This trip is a combination of driving and walking and includes a boardwalk, forest trail, and dirt road. Mostly flat but uneven trails. Length about 3.5 miles total, walking. Port-a-john available about midway through trip. Meet at **7:00 a.m.** at the Brockport Wegmans' parking lot (restrooms available). For those traveling from the west: meet at the Upper Stafford Marsh Overlook near 5999 Albion Road, Oakfield, NY at **7:30 a.m.** It is advisable to bring water and snacks or a picnic lunch since there may be no local resources and the trip may last into the afternoon. **Spotting scopes would be very useful.**

May 22
Sunday
Norway Road
This unassuming trip usually racks up a long bird list. From nesting Cerulean Warblers to Purple Martins along the lake. This trip showcases roadside birding in spectacular fashion! There are no long walks, no rough terrain as we walk along a paved country road making multiple stops to bird along Norway Road. No restrooms except at Wegmans. Meet at **7:00 a.m.** toward the upper end of Wegmans' parking lot in Ridgemont Plaza off Route 104 in Greece (opposite Heritage Drive).
Leader: Nick Kachala 585-750-5536 and co-leader Cathy Ballard 585-322-2621

Tuesday
Taylor Road – Headwaters of Irondequoit Creek
We will walk the woods and mowed grassy trails of the 65-acre property of RBA member Linda Roca. Hedgerows, fields, Irondequoit Creek, brushy habitat, and woods should be productive for thrushes, late warblers, and woodpeckers among others. No restroom available. Meet at **8:00 a.m.** at 66 Taylor Road, Honeoye Falls, NY 14472. Park in the wide driveway or on Taylor Road.
Leader: Jeanne Verhulst 585-362-0803 and co-leader Linda Roca 585-624-2697

Saturday
New! Sandra L. Frankel Nature Park (Brickyard Trail)
The Brickyard Trail is a wide, flat, fine gravel, multi-use trail situated between Elmwood Avenue and Westfall Road in Brighton (across from the east end of Buckland Park). It contains woods at both ends and ponds and marsh in the middle, providing good bird habitat. We will walk the full length of the trail and back (1.7 miles) to look for Song Sparrows, Marsh Wrens, Common Yellowthroat, Red-eyed Vireo, and others. Green Herons and woodpeckers nest here. Meet at **8:00 a.m.** at the Westfall Road entrance. There is parking in the five spots next to the trail. (Enter from Westfall Road at The Landing at Brighton complex---make the first right, drive about 100 feet to the parking spots.) There is additional parking across Westfall Road at the Buckland Park Headquarters at Buckland House (where the eagle statue is). Cross Westfall Road at the crosswalk to the trail entrance. RTS "South Clinton" bus stop is a few yards from trail head on Westfall Rd. Dress for the weather. Insect repellent may be needed for the wooded sections. No restrooms. Wheelchair friendly.

Saturday
- New! Ganondagan State Historic Site, a Field Trip for Young Birders**
This trip is open to young birders ages 8 to 18 accompanied by a parent. This trip has generated large species lists due to the many habitat types we will travel through. We will start from the parking lot to the longhouse and walk wide mown or packed dirt trails through the Meadowlark field and then head down through woods, shrub land, and wetland to an overlook in grassland. The round trip is 1.5 miles and includes some hills. After we reach the overlook, those who wish can continue for another 2 miles on the narrower Seneca Trail through field and woods, across County Route 41, and along a wooded stream valley to the Bobolink field. Restroom facilities are available at the museum center at end of trip. Meet at **10:00 a.m.** in the main parking lot off County Road 41 Boughton Hill Road. The parking lot is situated below the new museum at 7000 County Road 41, Victor, NY 14564. (From Route 444 from Victor, turn right onto Boughton Hill Road and go down the hill. The main parking lot will be on your right at the bottom of the hill.)

Sunday
- New! Wyoming County Fields and Forest**
This is a great opportunity to explore an upland region of northeastern Wyoming County including New Compehner Farm (6340 LaGrange Road Wyoming, NY 14591). We will look for migrating and resident warblers, a variety of native sparrows, hopefully returning cliff swallows, both oriole species and open country birds, in a nice mixture of open fields and wooded habitats and bird friendly plantings. We will focus on locating several nesting species. This trip has a little of everything on a beautiful farm. Easy walking over fields, but will cover a mile or two; wear sturdy shoes. The trip will last until noon. Use a restroom en route, if possible, otherwise a bathroom is available at the home of the leader. Meet at **7:30 a.m.** at 6340 LaGrange Road, Wyoming, NY 14591.

- Letchworth State Park**
This trip frequently boasts more birds than any other RBA field trip. Of course, it gets an early start! We'll look for birds not frequently seen on other trips, such as Acadian Flycatcher. We'll do a fair amount of walking: one somewhat steep but short forest trail and a dirt road down to the river level, as well as some roadside birding. Restrooms available at several locations along the way. Meet at **5:30 a.m.** at the Dam Overlook Gifts and Grill parking lot (use the Route 36 entrance to Letchworth Park)). Pack a lunch and snacks, as the trip will likely last well into mid-afternoon. **Spotting scopes would be very useful.**

- Bergen Swamp**
A trip to this unique place is by special permit from the Bergen Swamp Preservation Society and will feature nesting birds. The mix of vegetation zones provides secluded nesting habitat for the usual western N.Y. species as well as those more characteristic of the Canadian zone such as Blue-headed Vireo, Hermit Thrush, Magnolia, Blackburnian, Black-and-white, Canada and Nashville Warblers. This is a walking trip of 3 miles on variably wet and slippery corduroy trails that must be followed closely for safety reasons and because of the fragile habitat. **Sturdy boots** (rather than sneakers) are **strongly recommended**, and hiking or ski poles may be useful. Meet at **7:30 a.m.** at the main trailhead entrance to Bergen Swamp: 6646 Hessenthaler Rd, Byron, NY 14422. From Rochester, take I-490 west to Exit 2. Take Rt. 33 west and turn right (north) onto Route 19. Turn left at the fire station onto Hunter Road It becomes Swamp Road. Follow Swamp Road west past Pocock Road and turn right onto Hessenthaler Road. The swamp entrance is at the kiosk on the right. Park along the right shoulder, but do not park in front of the caretaker's house.

Odonata Sanctuary

The 100 acre privately owned Odonata Sanctuary, 20 Parrish Road, Honeoye Falls, NY 14472, is the former home of Joseph W. Taylor, who was a founder of the American Birding Association and president of Hawk Mountain Association. The sanctuary participates in the Wildlife Habitat Incentives Program (WHIP) that provides nesting acreage for grassland nesting birds such as Eastern Meadowlarks, and Bobolinks. The sanctuary is an access point for the observation of migrating birds and monarch butterflies and is also home to one of the largest Eastern Bluebird nest box trails in the USA. The trails pass over streams, around a pond and through woodlands. No restrooms available. Meet at **8:00 a.m.** at the sanctuary. Enter the sanctuary at 20 Parrish Road and drive up the long, one-lane driveway.

Barnhart's Camp and Keeney Swamp

We will be birding as we drive (and stop) throughout the diverse landscapes of Northern Allegany County, 20 minutes south of Letchworth State Park. Grassland, woodland, pond and swampland species such as Prairie and Mourning Warblers, Eastern Bluebirds, Pied-billed Grebes, and maybe a bittern or two should be seen. This trip generally goes all day so we can see as much as possible! Meet at **7:30 a.m.** at Shop N' Save in Nunda on Route 408 where restrooms are available. **Spotting scopes and FRS Radios would be useful.** Lunch at Barnhart's camp is a trip tradition--they grill the hot dogs! Bring a dish to pass--your choice (but this is optional).

Conesus Inlet State Wildlife Management Area

Explore this expansive wetland for Virginia Rails and Wood Duck families. We've seen eagles on a reliable basis, Cliff Swallows and more. This trip is a combination of driving, stopping at overlooks and short walks on dirt trails and dikes. Length about 1.5 mile of walking. Restrooms are available at the meeting place only. Meet at **7:30 a.m.** at Vitale Park on Route 20A in Lakeville. The Park entrance is by the Lakeville post office on the south (lake) side of Route 20A and across the street from Smith's Hardware. There's a possibility of a trip extension to the Geneseo Airport area. **Spotting scopes would be very useful.**

[August Is a Great Time of Year to Watch for Migrating Shorebirds](#)

[A good place to look for shorebirds is at Montezuma National Wildlife Refuge. For the last few years the staff there has advertised open dike walks at Knox-Marsellus and Puddler Marshes. The walks start from the visitor center at 7:00 a.m. on alternate Saturdays and Sundays in August and early September. Visit the Montezuma NWR website for more detailed information as the time approaches.](#)

New! Braddock Bay East Spit, a Field Trip for Young Birders

This trip is open to young birders ages 8 to 18 accompanied by a parent. The East Spit of Braddock Bay is a well-known spot for migrating shorebirds in late summer. Herons, eagles, Osprey and early warbler migrants are also possible. The trail is a woodland path between Lake Ontario and the Braddock Bay Marshes. We will walk out to the end of the spit and back, about 1 mile. The trail is muddy, narrow and has uneven, rocky footing in places. Sturdy waterproof shoes or boots and bug spray will be needed. Crossing the channel to the barrier island will be completely optional and dependent on water levels. Restrooms are usually available next to the

Marina building. Meet at **10:00 a.m.** in the East Spit parking lot beyond Westport Marina at Braddock Bay. **Note: You must drive through the Marina to reach the East Spit parking lot. Spotting Scopes will be provided by the leaders.**

Beginner Birder Trip – Charlotte and Turning Point Park

We'll be looking for shorebirds, warblers, and other fall migrants along the river and lakeshore. At Charlotte Beach, we'll look for gulls in many plumages and some shorebirds, too. At Turning Point Park, we will look for the usual suspects and fall migrants. Bring binoculars. The Charlotte Beach area is mostly flat and paved-one long steep grade at Turning Point Park. Length about 2.0 miles total. Restrooms are available at Charlotte only. Meet at **8:00 a.m.** at Ontario Beach Park in Charlotte in the northeast corner of the parking lot, beside the Genesee River outlet. **Bring binoculars and, if you have them, spotting scopes.**

Whiting Road Nature Preserve

This preserve includes about 240 acres of land that is made up of a variety of birding habitats. This results in decent birding lists throughout the year. The trails are well marked and maintained. However, they do get muddy at times, so appropriate footwear is recommended based on the weather leading up to the trip date. Most of the trails are somewhat flat, but there definitely will be a bit of up and down trail climbing in some sections. Hopefully, our trek will take us on parts of the blue, brown, orange, and red trails. Moderate difficulty in a few spots. Length about 2.5 miles. Restrooms are not available. Meet at **8:00 a.m.** in the parking lot on Whiting Road in Webster, 0.6 miles south of Lake Road.

Durand-Eastman Park

We'll be looking for thrushes and other migrants. Durand can be surprising this time of year. This will be an easy 2-3 hour walk mostly along paved roads, with a steady medium grade at one point. Length about 2.5 miles, total. Restroom facilities are not available on this route, but are in other areas of the park. Meet at **8:00 a.m.** in the Lake Shore Blvd. parking lot between Zoo Road and Log Cabin Road (Parking Lot D).

New! Sandra L. Frankel Nature Park (Brickyard Trail)

The Brickyard Trail is a wide, flat, fine gravel, multi-use trail situated between Elmwood Avenue and Westfall Road in Brighton (across from the east end of Buckland Park). It contains woods at both ends and ponds and marsh in the middle, providing good bird habitat. We will walk the full length of the trail and back (1.7 miles) to look for migrating fall warblers, kinglets, sparrows, wrens, and finches. There might even be a late Green Heron hanging around. Meet at **8:00 a.m.** at the Westfall Road entrance. There is parking in the five spots next to the trail. (Enter from Westfall Road at The Landing at Brighton complex---make the first right, drive about 100 feet to the parking spots.) There is additional parking across Westfall Road at the Buckland Park Headquarters at Buckland House (where the eagle statue is). Cross Westfall Road at the crosswalk to the trail entrance. RTS "South Clinton" bus stop is a few yards from trail head on Westfall Rd. Dress for the weather. Insect repellent may be needed for the wooded sections. No restrooms. Wheelchair friendly.

Batavia Wastewater Treatment Plant
Why a wastewater treatment plant? Open water and a great location mean that this spot appears regularly on fall birding lists. We will drive on the banks of the ponds, getting out wherever the birds are congregating. Discover the great opportunity this spot (and its helpful staff) offers. Restrooms might be available at the plant offices. Meet at **9:00 a.m.** at the wastewater treatment plant at the end of Industrial Blvd., which is off Pearl Street (Route 33) at the western edge of the city of Batavia. From the NYS Thruway (I-90) at Batavia, exit 48, go south on Route 98 into the city of Batavia. At the second light (candy store), make a right turn onto Oak Street, which is Route 33. Continue on Rt. 33 west approximately 0.5 miles to Industrial Blvd. and make a left. Proceed south past the railroad tracks and straight up the hill and through the open gates to the entrance building of the treatment plant (first building on your left). Or, from Rochester, take I-490 W, to Exit 2 (Route 33 west). Follow Route 33 west through Batavia; turn left onto Oak Street (Route 33), stay right at roundabout, continue on Route 33, 0.5 miles to Industrial Blvd., turn left. Continue straight across the railroad tracks and up the hill. Turn left into the parking lot of the offices. If COVID guidelines allow, we will carpool from the plant offices. **Spotting scopes would be very useful.**
